

ATLANTIC COUNTY PARKS
AND THE WETLANDS INSTITUTE PRESENT

Sea Creatures With Amazing Features

Saturday, November 16th 11am

Ages: PreK – 6th grade

**Meet in the Warren E. Fox Nature Center
109 Route 50 (South), Mays Landing 08330**

Let us share our little animals with your little animals. Students will use all of their senses and their imagination to discover the wet world of water animals. Following a fun and interactive explanation of the local sea animals we bring, students will get hands-on time with them. Habitats, food chains, and anatomy are some of the topics covered. Animals include sea stars, sea urchins, hermit crabs, spider crabs, green crabs, clams, sea snails, and a horseshoe crab.

Pre-registration required:

Program is free, but registration is required. Please sign up by contacting the Atlantic County Parks Nature Center Staff at **609-625-1897** or email **pleis_kathleen@aclink.org**
