V. New Business:

- a. Responses to individual opinions about the fate of the 32nd Annual Donald Sykes Awards, planned for October 2020, were requested by each member on the call. Chairman Brown called upon each member for their input.
Suggestions were recorded and will be presented to County Administrator for a decision.
- b. Announcement regarding board's anticipated beach access brochure project. Due to staffing shortages, the Beach Brochure Project has been postponed until next year. Teams involving the art and compilation of the brochure, were unable to proceed due to limitations surrounding Coronavirus. Hopefully next year we can garner more participation, resulting in a more thorough brochure for 2021.

VI. Good and Welfare:

Board members appreciated the phone conference and wished each other well...until we 'meet' again.
