Adam Witcraft mentioned the need for the original maps in the brochure so the County’s final printing could take place.
Minutes of the Parks & Environment Advisory Board
Meeting February 6th, 2019 at the Warren E. Fox Nature Center

Greg Brookins discussed the renewed interest at the state level in constructing bridges over South River and Stephen’s Creek. He mentioned the South River project is shovel ready and only in need of funding.

Adam Witcraft discussed the restructuring of the Parks volunteer program.

Mike Hogan suggested reaching out to corporate companies to reach their employees for volunteering and also reaching out to the local Casinos as well.

Bill Reinert suggested utilizing swamp milkweed for our relocated butterfly garden. He also updated the group on the increasing oyster industry in New Jersey. Further discussion was had about the oyster documentary previously discussed. Bill also mentioned the innovative techniques being employed to use dredge spoils to combat sea level rise.

Ken Sooy mentioned the Galloway Historical Society.

Steve Fiedler updated the group on his “Friends Along the Mullica” efforts. The group is focusing first on illegal dumping sites.

Adam Witcraft mentioned the County’s newest acquisition of 38 acres adjacent to Betsy Scull Road that joins the existing Pine Forest and Riverbend tracts.

Greg Brookins briefly mentioned the status of the bid to redo the Mott’s Creek bulkhead area.

Fred Akers mentioned he will be contacting the Atlantic County Road Department to add replacement signs along the Great Egg Harbor tributaries where they are missing. He also mentioned the Great Egg Harbor river signs being added at Lake Lenape West.

The meeting adjourned at 9:30 PM.

The next meeting will be held Wednesday, March 6th, 2019, at 7 PM at the Canale Training Center in EHT.
