SECTION 1. REPRESENTATION

1.1 The Atlantic County Republican Committee shall consist of two members, one male and one female, elected for each unit of representation in the County, pursuant to the provision of Title 19 of New Jersey Statutes and these bylaws and constitution. For this purpose, the County shall be divided into 23 basic units of representation, one from each municipality within the County. Additional units of representation shall be granted to each municipality based upon total Republican votes cast in the four general elections next preceding the annual election of the Committee. (In determining the number of votes cast in the General Election, the number of votes received by any Republican candidate for county, state or federal office shall be counted.) Units of representation shall be determined as follows:

1. (Total Number of Republican votes over the previous four general elections) / (The current number of units of representation) = **X**
2. (A municipality's total number of Republican votes over the previous four general elections) / **X** = The number of units of representation for a municipality*

* Units of representation shall be rounded to the nearest whole unit (e.g. 3.4 shall be rounded to 3 and 3.5 shall be rounded to 4.)

1.2 The aforesaid units of representation shall be reviewed by the County Chairperson or his/her appointee and revised within 60 days of each general election.

1.3 In municipal or inter-municipal districts after the specific number of units of representation have been determined and granted under the provisions of these by-laws, the allocation of those units of representation shall be made to the duly constituted regular Republican organizations within that district in proportion to the number of committee persons elected to the Atlantic County Republican Committee by that organization the previous year. Where there is a fraction of a unit the County Chairperson shall make the allocation.

The affected member can request a hearing by the County Committee to determine if removal for cause is appropriate.
