Mr. Dennis Levinson
Chief Executive of Atlantic County
1333 Atlantic Ave 8th Floor
Atlantic City, NJ 08401

Dear Mr. Levinson,

My name is Ronald C. Gove, M.D. and I have been a lifelong resident of the State of New Jersey. In addition, I have been a practicing internal medicine physician for 44 years and having the privilege of serving in Atlantic County.

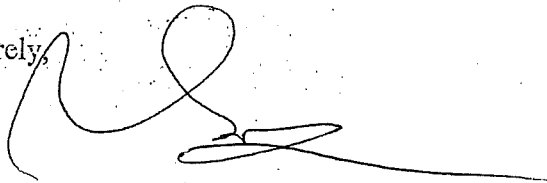

This morning, I had my first dose of the COVID-19 vaccine at Atlantic Cape Community College and I would like to congratulate you and the entire Atlantic County Health Department team for superb organizational skills in delivering the vaccine, so effectively.

From the scheduling online, at your website, to the greeting at the college, delivery of the vaccine was impeccable.

You should be extremely proud of Ms. Patricia Diamond and Mrs. Barbara Kennedy and their entire Health Department team, in delivering outstanding medical and logistical skills to all of the members of the Atlantic County community.

When it comes to supplying medical care in the state of New Jersey, Atlantic County is the "A Team."

Sincerely,

Ronald C. Gove, M.D. FACP
