ATLANTIC COUNTY GOVERNMENT HISTORY

Atlantic County was carved from Gloucester County in February 1837 with boundaries that have remained substantially the same to this date.

The County is bounded on the north by the Mullica River, on the South by the Great Egg Harbor Bay and the Tuckahoe River, on the West by Camden and Gloucester Counties and on the East by the Atlantic Ocean.

The County seat was established in Mays Landing in 1837, and a courthouse was constructed in 1838.

The first Board of Commissioners (FKA Freeholders) was established in Mays Landing in 1837, with representatives from four townships – Galloway, Egg Harbor, Hamilton and Weymouth. As more townships and municipalities came into being, the Board grew to its largest membership of 35 in 1966. In 1967, the State Legislature reduced the large board to a seven-person-at-large County Board. It remained at that size until 1975 when the new County Charter went into effect.

In 1974, Atlantic County voters passed a public referendum to change the County governmental form under the Optional County Charter Law to the Executive form. The Charter provides for a popularly elected Executive, responsible for the administration of County government, and for a nine-member Commissioner Board, responsible for legislation. The Executive is elected for a term of four years; the Commissioners are elected to staggered three-year terms. Five of the Commissioners represent equally populated districts; four are elected from the County-at-Large.

The original Atlantic County Administrative Code was adopted in May 1976 and established eight county departments. The Administrative Code was last modified in June 1997 and established seven county departments: *Administrative Services, Family and Community Development and Economic Assistance, Human Services, Law, Public Safety, Public Works and Regional Planning and Economic Development*. In addition, each of the Constitutional

Officers has departmental responsibility. The Constitutional officers are the *County Clerk*, the *Prosecutor*, the *Sheriff*, and the *Surrogate*.

Citizen involvement and input is provided through advisory boards. Members are appointed to these boards by the County Executive, with the advice and consent of the Board of County Commissioners.

The most prevalent form of local government currently in existence in Atlantic County is Mayor-Council. The Township Committee form, which calls for the Mayor to be appointed from among popularly elected members of the Committee, is found in six municipalities. Commission forms are found in three communities and the Township Manager form in one. The roots of local government in Atlantic County are longstanding. While community sizes and government forms vary, the commitment to citizen service, which is well-developed, is a matter of pride.

Atlantic County today covers 566.97 square miles incorporated into 23 municipalities, ranging in population from Egg Harbor Township (47,842) to Corbin City (471). The total population in the 2020 census was 274,534.

All 23 governing bodies are legally classified as municipalities, although they are properly titled boroughs, towns, townships and cities.

In August 2020, the State of New Jersey Governor signed into law P.L. 2020 c. 67 renaming “Board of Chosen Freeholders” to “Board of County Commissioners,” which took effect January 2021.

BIOGRAPHY

County Executive Dennis Levinson is a Ventnor native and graduate of Atlantic City High School. He obtained a Bachelor of Arts from Glassboro State College, now Rowan University, and is a former history teacher.

Levinson was a councilman in the City of Northfield and an Atlantic County Freeholder-at-Large. He was chosen by his peers as Freeholder Chairman multiple times. He was first elected Atlantic County Executive in 1999 and was recently re-elected to his seventh term.

During his tenure, Atlantic County has consistently achieved and maintained top-tier credit ratings by Moody's Investors and Standard & Poor's, low debt, tax stability, and a surplus for unanticipated circumstances. The county has also received 24 consecutive perfect audits conducted by multiple independent auditors. Levinson initiated the policy of switching auditors every three years to ensure honesty and integrity.

He was also the first in the nation to put defibrillators in all countywide emergency vehicles. He supported the construction of the first wind farm in New Jersey and the first coastal wind farm in the country. As a result of his leadership and efforts to diversify the regional economy with the development of an aviation industry, Atlantic County created the National Aerospace Research and Technology Park whose current tenants include NASA, the Federal Aviation Administration, General Dynamics, Woolpert, Thunderbolt, the National Institute of Aerospace, and more. Construction of an additional building is now underway. He also pushed for legislation to create a regional municipal court as a shared services initiative to reduce duplication and save towns and taxpayers money. As a result, the Central Municipal Court of Atlantic County was established in 2022, the first of its kind in New Jersey.

Levinson's notable achievements and community involvement have been recognized by numerous civic, service and charitable organizations over many years.

He and his wife Patricia are the proud parents of two sons and a daughter and grandparents of six grandsons and one granddaughter, all of whom reside in Atlantic County.

During his tenure on City Council, he was re-elected three times, serving from 1991 to 2002. He also served as both Council President and Council Vice President. Ernest continuously strived to make the Third Ward “a shining example of community spirit and pride.” He was the first Councilmember to operate under an “open door policy”, publish the first ward-wide newsletter; and establish the “Third Ward Eye-On-Crime”, to monitor criminal activity in the neighborhood. Ernest’s annual holiday events, food drives, Senior Citizen Day, and Youth Day at Steel Pier were enjoyed by many and served to unite the entire city. “Coursey Cares” is a sentiment that is echoed throughout the community. Ernest has earned a reputation as a fighter, non-conformist and “people person”. He brings a proven philosophy: that of leadership and respect for the people! In January 2002, Ernest accepted an administrative position for Atlantic City’s then newly elected Mayor, Lorenzo T. Langford. As Deputy Mayor, Ernest’s role was expanded to include the entire city. His job was to ensure that city government best served its most valuable and precious asset...its citizens! In 2006, he left city government and returned in 2011 as Superintendent of Surf Stadium and Bader Field. Ernest currently serves as Chief of Staff for Atlantic City Mayor Marty Small, Sr. Ernest also served as Staff Assistant to former U.S. Senator Robert Torricelli. He worked on former Governor James McGreevey’s Transition Committee and was a Commissioner for the South Jersey Transportation Authority. In 2018, he served as a member of Governor Phil Murphy’s Transition Committee. On June 4, 2013, Ernest overwhelmingly won the Democratic primary election for Atlantic County Commissioner (District 1). On November 5, 2013, he was victorious in the general election. In 2016, Ernest ran unopposed. He was re-elected in 2016 and 2019. Commissioner Coursey was re-elected for a fourth term in the general election held November 8, 2022. Ernest credits God Almighty and looks to Him for inspiration and guidance. His parents, Raymond and Hazel (both deceased), and his seven brothers and two sisters have given him a true sense of family. Ernest and his wife, Leslie, have two sons, Ernest Jr., and Ethan. In his spare time, Ernest enjoys boating, fishing and attending family gatherings and church functions.

BYLAWS OF THE ATLANTIC COUNTY BOARD OF COUNTY COMMISSIONERS

The following rules of procedure shall govern the conduct of business of the Board of County Commissioners:

A. Governing rules. Except as may be provided in the Charter, questions of order, methods of organization and the conduct of business of the Board shall be governed by Robert's Rules of Order, Revised (75th Edition), in all cases to which they are applicable and in which they are not inconsistent with the rules of procedure hereinafter set forth in this section.

B. Rules of procedure.

(1) Rule 1: Annual and Regular Meetings.

- (a) The Board shall meet annually for organization at 12:00 noon on the second day of January at the Courthouse in Mays Landing, unless that is a Sunday, in which case it shall meet on the next succeeding day, at which time it shall select one of its members to serve as Chairman and one as Vice Chairman for the year and until the election and qualification of his or her successor. Election shall be by majority vote of the whole number of members of the Board. The Chairman shall preside over all meetings of the Board and perform such other duties as the Board or the general law may prescribe. Newly elected members may take and subscribe the oath of office at or before the annual organization meeting of the Board. Upon so qualifying, a member shall be entitled to take his or her seat and assume the duties of the office.
- (b) Thereafter, the Board shall by ordinance or resolution designate the time of holding regular meetings, which shall be at least monthly. All meetings of the Board shall be held at the county seat, except that meetings may upon resolution of the Board be held at such other times and places as the Board may deem fit.
- (c) The Board Chairman may, and upon written request of three of the members of the Board shall, call a special meeting of the Board. In this call he or she shall designate the purpose of the special meeting, and no other business shall be considered at such meeting. The call for a special meeting shall be filed in accordance with the Open Public Meetings Act.¹

- (d) Upon written consent executed by all the members of the Board, a special meeting may be held without prior notice, provided that the provisions of Chapter 231 of the Laws of 1975² are fully met.
 - e) All regular and special meetings of the Board and all executive sessions shall be open to the public, pursuant to the provisions of the Open Public Meetings Act, Chapter 231 of the Laws of 1975³, effective January 21, 1976, which is made a part of these rules of procedure, and of the Administrative Code by reference, as is fully recited herein at length.
- (2) Rule 2: Committees. There shall be no standing committees of the Board other than the committee of the whole. The Chairman shall appoint all special committees for legislative or investigative purposes.
- (3) Rule 3: Quorum.
- (a) A majority of the whole number of the Board shall constitute a quorum, but no ordinance shall be adopted by the Board without the affirmative vote of a majority of all the members of the Board. The procedure for adopting ordinances shall be in accordance with the provisions of Section 101 of P.L. 1972, c. 154 (N.J.S.A. 40:41A-101), as amended.
 - (b) If a quorum is not present 1/2 hour after the appointed time for any meeting, the person presiding, or in his or her absence the Clerk of the Board, may declare the meeting adjourned until the next day, unless by a majority agreement those members present select another day.
 - (c) All voting, except on procedural motions, shall be by voice vote, and the ayes and nays shall be recorded in the minutes. The roll call shall be taken in alphabetical order except that the presiding officer shall be polled last. Upon the call of the roll no member shall discuss or explain his or her vote.
 - (d) No action of the Board, except as otherwise provided herein, shall be valid or binding unless adopted with the concurrence of a majority of all the members of the Board.
- (4) Rule 4: Sessions. For the purpose of performing duties, other than enacting legislation, which are properly exercisable by the Board under the provisions of the Charter, the Board may sit in non legislative sessions at such times as it may determine.

(5) Rule 5: Procedure.

- (a) Any and all matters to be presented to and acted upon by the Board at its regular meetings must be filed in the office of the Clerk of the Board not later than 12:00 noon three working days preceding the date of such meeting, and unless so filed will not be considered by the Board until the next succeeding regular meeting of said Board, unless authorized by majority vote of the members present.
- (b) Presiding Officer. The Chairman, and in his or her absence the Vice Chairman, shall take the chair at the hour appointed for the meeting and shall immediately call the Board to order. In the absence of the Chairman and Vice Chairman, the Clerk shall call the Board to order and shall determine whether a quorum is present. If a quorum is present, the Clerk shall call for the election of a Chairman pro tempore. The Chairman shall sign all ordinances adopted by the Board during his or her presence. In the event of the absence of the Chairman, such ordinances shall be signed by the presiding officer.

(6) Rule 6: Order of business. Unless otherwise ordered by the Chairman or other presiding officer, at each regular meeting of the Board the order of business shall be taken up for consideration and disposition as follows:

- (a) Roll call.
- (b) Prayer and pledge of allegiance.
- (c) Reading and approval of minutes of previous meeting.
- (d) Early public comment on agenda items not listed for public hearing. **[Added 2-25-2014 by Ord. No. 2-2014⁵]**
- (e) Introduction of ordinances.
- (f) Consideration of ordinances on second reading.
- (g) Proposed resolutions.
- (h) Written communications and petitions.
- (i) Reports of special committees of the Board.
- (j) Unfinished business.
- (k) New business.
- (l) Public comment.
- (m) Adjournment.

(7) Rule 7: Conduct.

- (a) Every member shall give his or her entire attention to the business under consideration during the sessions of the Board

and shall not absent himself or herself from the meeting until the hour of adjournment except by permission of the Chairman.

- (b) No member shall speak for more than three times, and not to exceed five minutes each time, on any question at any meeting of the Board, except by permission of the majority of members present as determined by a vote.
 - (c) Every member desiring to speak shall address the presiding officer and, upon recognition, shall confine himself or herself to the question under debate, avoiding all personalities and indecorous language. A member, once recognized, shall not be interrupted when speaking, unless it is to call him or her to order or as herein otherwise provided. If a member, while speaking, is called to order, he or she shall cease speaking until the question of order is determined by the presiding officer and, if in order, he or she shall be permitted to proceed. Any member may appeal to the Board from the decision of the Chair upon a question of order, when without debate the Chair shall submit to the Board the question, "Shall the decision of the Chair be sustained?" and the Board shall decide by a majority vote.
 - (d) Non-board members attending regularly scheduled meetings shall not be permitted to speak more than two times, not to exceed three minutes each time, on any one subject germane to an issue then before the Board, unless given special permission for extra time by a majority vote of the Board members and shall be heard only during that portion of the meeting as established by Rule 6. Any member of the public may address the Board in caucus, provided that he or she informs the Chairman at least five hours before the meeting. The Chairman may determine the time on the agenda. The applicant who shall address the Board shall be limited to a time period not to exceed three minutes.
- (8) Rule 8: Investigations. The Board may make investigations into the affairs of the County of Atlantic and the conduct of any county department, office or agency, as may be authorized by the applicable code, and for this purpose may subpoena witnesses, administer oaths and take testimony. Any person who fails or refuses to obey a lawful order issued in the exercise of these powers by the Board shall be punishable in accordance with a schedule of fines and imprisonment

established by the Board. In no event shall a fine exceed \$500, and imprisonment shall not exceed 90 days.

- (9) Rule 9: Order and decorum. The Chairman shall preserve order and decorum and decide questions of order, subject to an appeal to the Board, which shall require a two-thirds vote to overrule.
- (10) Rule 10: Alteration of standing rules. No standing rule or order of the Board shall be altered or amended unless such alteration or amendment shall have been proposed in writing at the regular meeting next preceding and adopted by a majority of the members of the Board, but any of them may be suspended temporarily with the concurrence of 2/3 of the members present at any meeting, unless such a suspension would be in violation of a statute of the State of New Jersey.
- (11) Rule 11: Decorum: Sergeant at Arms. A sheriff's deputy may be Sergeant at Arms at the regularly scheduled Board meetings. The Sergeant at Arms shall carry out all orders and instructions given by the presiding officer for the purpose of maintaining order and decorum at the normal quota. Any person making personal, impertinent or slanderous remarks or who shall become boisterous while addressing the Board shall be barred by the Chairman or other presiding officer from further attendance at that meeting of the Board.
- (12) Rule 12: Schedule of meetings, notice and posting. The Clerk of the Board shall, at least once each year, within the seven days following the annual organization meeting of the Board, post for the purpose of public inspection a schedule of the regular meetings of the Board to be held during the year, in at least one public place reserved for such or similar announcements. He or she shall, in addition, mail or deliver a copy thereof to the two newspapers designated by the Board to receive notices of the meetings of the Board and shall submit a copy thereof to the County Clerk. The schedule shall contain the location of each meeting and the time and date thereof. In the event that such schedule is thereafter revised, he or she shall, within seven days following such revision, post, mail and submit such revision in the manner hereinabove set forth.
- (13) Rule 13: Ordinances.
 - (a) Ordinances shall be prepared by the Department of Law upon request of any County Commissioner. Every proposed ordinance shall be prepared in writing in the form required for

final adoption. No ordinance, except those relating to the budget or appropriation of funds and those relating to the adoption or revision of the Administrative Code⁶, shall contain more than one subject, which shall be clearly expressed in its title. The enacting clause shall be “Be It Ordained by the Board of County Commissioners of the County of Atlantic.” Any ordinance which repeals or amends an existing ordinance or part of the Administrative Code shall set out in full that part of the ordinance, sections or subsections to be repealed or amended, and shall indicate matter to be omitted by enclosing it in brackets or by strikeout type and shall indicate new matter by underscoring or by italics. Each ordinance shall be duplicated and distributed to the members of the Board in the manner as provided in this chapter. **[Amended 11-9-1977]**

(b) Except as otherwise provided by general law, the procedure for the passage of ordinances shall be as follows:

- [1] Every ordinance, after being introduced and having passed a first reading, which first reading may be by title, shall be published at least once in the manner provided by N.J.S.A. 40:41A-142 of the Charter, together with a notice of the introduction thereof and the time and place when and where it will be further considered for final passage. If there is only one such publication, the first shall be at least one week prior to the time fixed for further consideration for final passage. A copy of the proposed ordinance shall also be sent by regular mail to the Clerk of each municipality in the county not less than one week prior to the date of hearing.
- [2] At the time and place so stated in such publication or at any time and place to which the meeting for the further consideration of the ordinance shall from time to time be adjourned, all persons interested shall be given an opportunity to be heard concerning the ordinance. Final passage thereof shall be at least 10 days from the first reading.
- [3] Upon the opening of the hearing, the ordinance shall be given a second reading, which reading may be by title, and thereafter it may be passed by a majority of the whole number of the Board, with or without amendments, or rejected. Prior to the said second

reading, a copy of the ordinance shall be posted on the bulletin board or other place upon which public notices are customarily posted in the building in which the Board regularly meets, and copies of the ordinance shall be made available to members of the general public who shall request such copies. If any amendment is adopted altering the ordinance, the ordinance as so amended shall not be finally adopted until at least one week thereafter, and the ordinance as amended shall be read at a meeting of the Board, which reading may be by title, and shall be published, together with a notice of the introduction and the time and place when and where the amended ordinance will be further considered for final passage, at least two days prior to the time so fixed. At the time and place so fixed or at any other meeting to which the further consideration of the amended ordinance may be adjourned, the Board may proceed to pass the ordinance as amended or again amend it in the same manner.

[4] Upon passage, every ordinance, or the title, together with a notice of the date of passage or approval, or both, shall be published at least once in the manner provided by N.J.S.A. 40:41A-142 of the Charter Law.

[5] One certified copy of the full text of every ordinance so adopted shall be filed with the Clerk of each municipality within the county not later than 10 days after the date of final passage.

(c) Ordinances, Passage. Upon passage of each ordinance, the Clerk of the Board shall promptly deliver it to the Executive. If he or she approves, he or she shall sign and return it to his or her Clerk. If he or she disapproves, he or she shall return it to the Clerk within 10 days after its passage, together with a statement of the reasons for disapproval. If he or she does not sign the ordinance within 10 days from the date of its passage and does not return it with a veto message within said period, the ordinance shall take effect according to its terms, notwithstanding the failure of the Executive to act.

(14) Rule 14: Ordinances, passage over veto. The Board shall reconsider any ordinance returned by the Executive without his or her approval, pursuant to the Charter. Such reconsideration of the ordinance shall

be at the next meeting of the Board which occurs not less than three nor more than 30 days following the return of the ordinance by the Executive. If upon such reconsideration 2/3 of the members of the Board vote to override the veto, the ordinance shall take effect ten days thereafter. Whenever an ordinance has been reconsidered by the Board following a veto by the Executive, the Clerk shall append to such ordinance a certification of the action of the Board upon such reconsideration, in substantially the following form:

“I HEREBY CERTIFY that the above ordinance adopted by the Board on the day of __ 20__ was delivered to the Executive on the __ day of __ and was returned to me on the __ day of __, together with the Executive’s statement of the reasons for which he or she was constrained to withhold his or her approval of such ordinance, item or part thereof. On reconsideration thereof on the __ day of __, the Board duly resolved by the affirmative vote of 2/3 of its members to enact such ordinance notwithstanding the Executive’s veto or the Executive’s veto was sustained.”

Dated:
..... Clerk

(15) Rule 15: Ordinances not returned by the Executive. Whenever an ordinance shall take effect without the Executive’s signature, by reason of his or her failure to return it to the Board by filing it with the Clerk within ten days after its passage, the Clerk shall append to such ordinance a certificate in substantially the following form:

“I HEREBY CERTIFY that the above ordinance was adopted by the Board on the __ day of __ 20__ and was presented to the Executive duly certified on the day of __, and upon his or her failure to sign it or return and file it with the Clerk within ten days of its passage, the said ordinance took effect in like manner as if the Executive had signed it on the 10th day after it passed.”

Dated:
..... Clerk

(16) Rule 16: Ordinances, effective date. No ordinance shall take effect less than 20 days after its final passage by the Board and approval of the Executive, unless the Board shall adopt a resolution declaring an emergency and at least 2/3 of all members of the Board vote in favor of such resolution.

(17) Rule 17: Advice and consent.

- (a) Upon receipt from the County Executive of his or her nomination of a person to any office or position, the same shall be read by the Clerk under “Written Communications and Petitions” if at least seven days’ notice of the nomination has been given to each County Commissioner. In the event that each County Commissioner has received at least 24 hours’ notice of the proposed nomination, the said seven days’ notice requirement may be waived by unanimous consent of all County Commissioners present. The nominee shall thereafter be interviewed by the County Commissioners sitting as a committee of the whole in executive session at a time designated by the Chairman. Action of confirmation or rejection, upon a nomination made by the County Executive, shall not be postponed or delayed longer than 90 days.
- (b) Following completion of said interview and investigative consideration, a resolution shall be presented to the Board of County Commissioners, at which time they shall individually vote for or against confirmation, and the Clerk shall then notify the County Executive, in writing, of the Board’s decision.

(18) Rule 18: Resolutions. Resolutions shall be prepared by the Legislative Counsel upon request of any County Commissioner. Every proposed resolution shall be prepared in writing and may be introduced at any regularly scheduled meeting of the Board upon a motion and seconding, subject to Rule 5. **[Added 11-9-1977]**

CENTRAL MUNICIPAL COURT OF ATLANTIC COUNTY

In 2020, Atlantic County Executive Dennis Levinson invited the county's 23 municipalities to explore the feasibility of a countywide municipal court as a shared service initiative to reduce costs and duplication and provide tax relief to county residents. State legislation was signed into law on August 5, 2021 to allow for the creation of regional municipal courts.

The Central Municipal Court of Atlantic County opened in January 2022, the first of its kind to be implemented in New Jersey. It operates Monday through Friday, 8:30 a.m. to 4:00 p.m. Most hearings are conducted virtually.

Current participating municipalities: Corbin City, Egg Harbor Township, Estell Manor, Galloway Township, Hamilton Township, Linwood, Northfield, Port Republic, Ventnor and Weymouth Township.
