

WATER SAFETY

In the pool, at the beach or even in your bathroom, water can be dangerous to your kids if you don't take the right precautions. Drowning can happen any time of year, but parents need to be particularly vigilant during warmer months, when the number of drownings skyrockets. Below are resources to help keep your kids safe.

Safe Kids USA- Preventing injuries: at home at play and on the way- <http://www.safekids.org/safety-basics/safety-resources-by-risk-area/drowning/>

National Drowning Prevention Alliance- http://ndpa.org/home/index.php?option=com_content&view=article&id=7&Itemid=20

Water Safety Magazine- <http://www.watersafetymagazine.com/>

The Centers for Disease Control and Prevention: Injury Prevention & Control: Home and Recreational Safety- <http://www.cdc.gov/HomeandRecreationalSafety/Water-Safety/waterinjuries-factsheet.html>
