ABOUT Atlantic County

Atlantic County offers its residents an outstanding quality of life with 14 miles of coastline beaches, 18 passive and non-passive county recreation facilities including a 7.5 mile bikeway, park trails, historic ruins, canoeing and camping.

Atlantic County also offers world class dining and entertainment, multiple casino resorts, arts and cultural opportunities, a growing number of wineries, breweries and distilleries, wildlife refuges and championship golf courses.

Atlantic County is undergoing growth in the area of higher education providing for MBA, MPA and physical therapy pursuits.

Atlantic County government values the diversity of our work force and intends to provide a working environment for each employee which enhances and supports his or her ability to contribute to the achievement of personal objectives and the goals of Atlantic County.

Atlantic County government has earned a well deserved reputation for the dedication and professionalism of our employees. As public employees our workforce takes very seriously its responsibility to provide for the health, safety and well being of the citizens of Atlantic County.
