

[Principal Planner \(Safety, Bicycle, and Pedestrian Planning\)](#)

Are you an experienced professional interested in safety and active transportation planning? The South Jersey Transportation Planning Organization (SJTPO) is ready to welcome you to our team! SJTPO is seeking a full-time Principal Planner to advance bicycle and pedestrian projects while reducing and ultimately eliminating roadway deaths. The SJTPO office in Vineland is within an hour's drive of countless beautiful beaches, boardwalks, and natural areas, as well as Philadelphia, PA, and Wilmington, DE, and just over 2 hours from New York City, Baltimore, and the Pocono Mountains.

SJTPO prioritizes a healthy work-life balance for employees, including a 40-hour work week, inclusive of a paid lunch hour, with opportunities to accrue flex and compensatory time when after-hours meetings occur. SJTPO offers a generous benefits package, including excellent health, prescription, vision, and dental plans, participation in the New Jersey State Pension System, providing peace of mind for your retirement, generous holidays (15), vacation (15), sick (15), and personal (3) days, tuition assistance, among other benefits. The starting salary range is \$67,000 to \$75,000 (Range 7), depending on qualifications and experience.

Responsibilities include data-driven safety initiatives, including the Local Safety Design Assistance Program, Local Safety Application Assistance Program, and implementation of the Countywide Local Road Safety Plans; bicycle and pedestrian planning, including planning and implementation of the Active Transportation Master Plan and support for the regional South Jersey Trails program; as well as management of consultant-led technical studies. The position will report directly to the Program Manager of Safety Initiatives and Public Outreach. Fieldwork and travel are required. **A complete job description and detailed requirements are available [here](#), with additional information about working at SJTPO at www.sjtpo.org/careers.**

Applicants must have a bachelor's degree in planning, engineering, or a relevant alternative with a master's degree strongly desired. Applicants must have at least five years of experience in transportation planning. A master's degree or a full year of internships or cooperative education experience can be substituted for one year of experience. Candidates must have excellent written, verbal, and technical communication skills and should demonstrate experience in Microsoft Office applications (Word, Excel, and PowerPoint). Familiarity with ArcGIS, the Highway Safety Manual (HSM), the Crash Modification Factor (CMF) Clearinghouse, and/or HSIP-funded Local Safety Programs is desirable. Must be legally eligible to work in the US.

A cover letter, resume, three references, example(s) of work, a listing of tools, and unofficial transcript(s) or copy of degree certificate as appropriate, should be submitted as soon as possible but must be received by Wednesday, June 7, 2023, via email at careers@sjtpo.org to be considered for the position.

SJTPO is an equal opportunity employer and encourages and supports diversity in the workplace. Decisions on employment are made on the basis of the qualifications of the individual for the particular position being filled. It is the policy of SJTPO that all employees will be treated equally without regard to race, creed, color, religion, national origin, ancestry, age, sex, marital status, domestic partner status, familial status, domestic partnership status, affectional or sexual orientation, atypical hereditary cellular or blood trait, genetic information, veteran status, disability or handicap, or for any other reason prohibited by law. Such employment action includes, but is not limited to, the following: employment, promotion, demotion, transfers, layoffs and termination, recruitment and selection for training, and all SJTPO-sponsored social and recreational programs. For additional details, please refer to SJTA's (SJTPO's Administrative Host) Policy on [Equal Employment Opportunity](#).
