

## Atlantic County has a Career Opportunity!

**Career Opportunity: Finance Team Member**

**Location: Atlantic City**

**Salary: \$43,000 - \$50,434**

**Hours: 40 per week**

Our busy Finance Department is in search of an energetic team member who wants to learn and grow with our organization! Work includes, but is not limited to, reconciling bank statements; initiating and managing entries into the financial and accounting software including cash receipts and accounts receivable; may prepare fiscal reports, including the compilation and analysis of data for monthly, quarterly, and/or annual reports. Interested applicants must have a bachelor's degree and one year of experience. Those with accounting credits preferred. We are looking for the right candidate for the job; if you don't meet all the qualifications above, but have other transferable experience, please apply and tell us about it!

---

The mission of Atlantic County Government is to serve the needs of county residents, businesses and visitors and to provide quality services in a cost effective and efficient manner.

Working for Atlantic County Government brings the satisfaction of knowing you can make a difference in the lives in your community. You would be part of a diverse workforce and serving among a highly trained and experienced staff providing services to the public. We offer comprehensive medical healthcare coverage options, retirement savings options, wellness programs, an employee assistance program, paid holidays, paid sick and vacation time, and entry into the State pension system for most positions. Also, as a governmental organization, Atlantic County is an eligible employer for Public Service Loan Forgiveness (PSLF)! All this while doing meaningful work that helps the people around you!
