Atlantic County Division of Public Health
Youth Risk Behavior Survey (YRBS)

Submitted
May 27, 2016
Methodology

• Parental consent forms were sent home with all 9th and 11th grade students from 12 Atlantic County high schools. Surveys were given to those students who returned the signed consent forms.

• Data collection took place between January and February 2016.

• A total of 1,755 surveys were completed during class time, collected, and returned to Holleran.

• 950 of the 1,755 surveys were analyzed yielding an overall error rate of +/-3% at the 95% confidence level.
