

Butterfly Garden - ongoing project

Bees and butterflies play a vital role in the pollination of plants and the production of crops. Sadly, with the increasing use of pesticides and fewer wildflowers growing in prime habitat; bee and monarch butterfly numbers are dropping dramatically. The staff at Estell Manor Park is on a mission to help nurture these wonderful little creatures by constructing our very own Butterfly Garden near the Warren E. Fox Nature Center!

Join Friends of the Parks

The goal for Friends of the Parks is to assist the continued growth of the park system, its programs, and to encourage visitors to get involved in all the natural, cultural, and recreational opportunities our parks have to offer.

We rely on interested and enthusiastic people who want to support and promote the Atlantic County Parks. **Meetings are usually the first Wednesday of every month 6:30PM at the Warren E. Fox Nature Center in the Estell Manor Park.**
