Laughing Matters
Weekdays by advanced arrangement
All ages are welcome to exercise their funny bones with a Certified Laughter Leader. Participants will take a dynamic role in a laughter exercise workout & other activities to encourage playfulness and fun. Laughing is a physical activity that lifts spirits, reduces stress, helps to lower blood pressure and stimulates the immune system. "Laugh for the Health of it!" This program is available free for your organized group of 10-30 people, at your location or ours.

Low Ropes, Team Challenge Course
Weekdays by advanced arrangement
Atlantic County Park at Camp Acagisca
Want to have fun, practice problem solving, while establishing group unity? This outdoor experience can meet many objectives for an existing organized group of 6-15 people, age 10 years and above; building leadership skills, improving communication, and developing consensus, to name but a few. The program consists of physical warm-ups, trust building exercises, and course elements which encompass varying degrees of physical, mental, and emotional exertion. It takes at least 6 hours to complete a majority of the elements. All activities are presented on a challenge by choice basis. Group insurance is required.

Field Games (New and Old)
Is your group of 10-60 people planning a trip on a weekday to the Estell Manor Park? Arrangements can be made for the Recreation Program Specialist to conduct an hour long games program for you. Tug-of-war, relay races, and new games will add excitement to your picnic. An assortment of competitive and/or noncompetitive games can be selected and tailored to the needs of the group.

Volunteer of the Quarter - JORBA
Winter 2013 (January - March)
This quarter’s award goes to the Jersey Off-Road Bicycle Association under the effective leadership of volunteer Ken Seebeck. A member of the US Coast Guard, Ken possesses the necessary skills to work in tandem with others. Last June’s derecho followed by Hurricane Sandy in October visited extensive damage to the park system, especially to the single track multi use trail located within the Duck Farm Loop on the north end of the Estell Manor Park. Traveled primarily by cyclists, this path looked “like a bomb exploded” in several sections. In rolls JORBA to the rescue. Using only hand tools, this group embarked upon the back breaking task of rendering this trail navigable once again for riding. Thank you JORBA!

Atlantic County Parks would like to recognize the following dedicated volunteers:

Welcome New Volunteers Nathan Ballinger & Cheryl Oslinski.
